HOW TO UPLOAD **POSTERS & VIDEOS**

01

Prepare your poster and video files in advance. It is highly recommended to compress your poster file so that the file size becomes smaller using the following online tools:

Portal Login

03

After successfully logging in, please select the “Posters” menu then click the “Add Poster” button. This section serves to fill the Poster Wall on your booth so it doesn’t look empty/black.

The screenshot shows a web browser window with the URL `demo.xpomania.com/portal/posters-videos?type=poster`. The page title is "Posters | XPOmania". The navigation menu on the left includes "Navigation", "Dashboard", "BOOTH", "Posters", "Videos", "USER DATA", "WEBINAR", and "MEETING". The "Posters" menu item is highlighted with a red box. The main content area is titled "Posters" and contains a table with columns "Sequence", "Status", "Title", and "Actions". The table is currently empty, displaying "No records found". A blue button labeled "+ Add Poster" is located in the top right corner of the table area and is also highlighted with a red box.

Add Poster

04

Please upload the compressed poster file by clicking the “Choose” button and fill in the poster title according to the poster content. When finished, please click the “Save” button.

The screenshot shows a web browser window with the URL `demo.xpomania.com/portal/posters-videos/add-poster?language=en-US`. The page title is "Posters | XPOmania". The user is logged in as "Anna Nikola Exhibitor". The main content area is titled "Posters > Create Poster".

The form contains the following fields and buttons:

- Title ***: A text input field containing "Nikola Poster 1".
- Image Upload ***: A section with a note "*Files <10mb, in png or jpg format". It shows "1 file was chosen" and a file named "poster-01 (1).jpg" with a size of "329 KB". A blue "Choose" button is highlighted with a red box.
- Description**: A large text area with the placeholder text "Write your description here".
- Sequence**: A text input field containing the number "1".
- At the bottom, there are two buttons: a "Back" button and a "Save" button, which is highlighted with a red box.

Upload Poster

05

Repeat the same steps for uploading the 2nd poster. You will see that both of your posters are still in “Draft” status. The Event Organizer will change the status of your poster to “Approved” if it is judged to meet the standards and rules imposed by the EO.

The screenshot shows a web browser displaying the XPOmania portal. The page title is "Posters" and the URL is "demo.xpomania.com/porta/posters-videos?type=poster&language=en-US". The user is logged in as "Anna Nikola Exhibitor". The main content area shows a table of posters with the following data:

Sequence	Status	Title	Actions
1	Draft	Nikola Poster 1	Hotspots
2	Draft	Nikola Poster 2	Hotspots

Below the table, it says "Show 25 entries Showing 1 to 2 of 2 entries". The "Draft" status for both posters is highlighted with a red box.

Status Poster

06

Don't forget to fill your poster's "Hotspot" with the same poster file. By clicking "Hotspots" and then uploading your poster in the same way as before. In "Hotspot" you can upload more than 1 poster/image (maximum 3 poster/image).

The screenshot shows the XPOmania web application interface. The browser address bar displays the URL: `demo.xpomania.com/portal/posters-videos?type=poster&language=en-US`. The page title is "Posters | XPOmania". The navigation sidebar on the left includes: Dashboard, BOOTH, Posters (selected), Videos, USER DATA, WEBINAR, and MEETING. The main content area is titled "Posters" and contains a table with the following data:

Sequence	Status	Title	Actions
1	Draft	Nikola Poster 1	Hotspots   
2	Draft	Nikola Poster 2	Hotspots   

Below the table, it says "Show 25 entries Showing 1 to 2 of 2 entries". The "Hotspots" text in the Actions column of both rows is highlighted with a red box.

Hotspot Poster Menu

07

Here's what the hotspots poster looks like. This section serves to display the poster in the form of a pop up page on the website when the Poster Wall on the booth is clicked by booth visitors.

The screenshot displays a web browser window with the URL `demo.xpomania.com/portal/video-popup?videoid=9941&language=en-US`. The page title is "Hotspots". On the left, a dark sidebar contains navigation items: "Navigation", "Dashboard", "BOOTH", "Posters", "Videos", "USER DATA", "WEBINAR", and "MEETING". The main content area features a "Back Posters" button and a "+ Add Hotspot" button (highlighted with a red box). Below these is a table with the following data:

Sequence	Status	Type	Title	Is Lock	Like Count	Actions
1	Draft	Hotspot Image	Nikola Poster 1	No	0	  

Below the table, it says "Showing 1 to 1 of 1 entries".

Add New Hotspot

08

You will see the status “Approved” on both of your posters if the EO has approved the poster you have submitted.

The screenshot shows a web browser window displaying the XPOmania portal. The page title is "Posters | XPOmania" and the URL is "demo.xpomania.com/portal/posters-videos". The user is logged in as "Anna Nikola Exhibitor". The main content area is titled "Posters" and contains a table with the following data:

Sequence	Status	Exhibitor	Title	Actions
1	Approved	S04 Nikola Singapore Pte Ltd	Nikola Poster 1	Hotspots
2	Approved	S04 Nikola Singapore Pte Ltd	Nikola Poster 2	Hotspots

Below the table, there is a pagination control showing "Show 25 entries" and "Showing 1 to 2 of 2 entries".

09

To upload video files, please select the “Videos” menu on the left menu. Make sure your video file is no more than 5MB. You can trim your video with a duration of 10 seconds. Because this section only serves to fill the Video Wall display on your booth. So there is no need to upload a long video duration. ATTENTION: YouTube URLs are not recommended for filling out this section. Longer versions of videos can be uploaded in the “Hotspot” section and can use YouTube URLs.

The screenshot shows a web browser window with the URL `demo.xpomania.com/portal/posters-videos/add-video?language=en-US`. The page title is "Videos > Create Video". The left navigation menu has "Videos" highlighted with a red box. The main form contains the following elements:

- Title:** A text input field containing "Nicola PCB Manufacturing".
- Video URL:** A radio button that is unselected.
- Video Upload:** A radio button that is selected.
- File Upload:** A section showing "1 file was chosen" and a "Choose" button. Below it, a file named "video-01.mp4" (4.49 MB) is listed.
- Video Thumbnail:** A section with an "Upload Image" text input and a "Choose" button.
- Description:** A text area with the placeholder text "Your description here".

Video Upload

10

Just like the poster, don't forget to fill in the "Hotspots" of the video in the same way. You will see an "Approved" status if the video has been approved by the EO.

The screenshot shows a web browser window with the URL `demo.xpomania.com/portal/posters-videos?type=video`. The page features a dark blue navigation sidebar on the left with options like Dashboard, Booth, Posters, Videos, User Data, Webinar, and Meeting. The main content area is titled "Videos" and contains a table with the following data:

Sequence	Status	Title	Actions
1	Approved	Nikola PCB Manufacturing	Hotspots

Below the table, there is a pagination control showing "Show 25 entries" and "Showing 1 to 1 of 1 entries". The "Approved" status and the "Hotspots" action link are highlighted with red boxes in the original image.

Status Approved

11

Longer versions of videos can be uploaded in the “Hotspot” section and can use YouTube URLs. You may enter more than 1 YouTube URL in the hotspot (maximum 3 YouTube URLs) if required.

The screenshot shows a web browser window with the URL `demo.xpomania.com/portal/video-popup/edit?id=9951&language=en-US`. The page title is "Hotspots > Edit Hotspot". The form contains the following fields:
